RE: MB Docket No. 04-233

Dear Ms. Dortch:

The Diversity Council of Rochester, MN, is a grassroots nonprofit organization dedicated to building a welcoming and inclusive community through education.

KTTC has been a long-time partner in helping us achieve our mission. This local station has supported us through financial donations as well as through production and airing of PSAs. Members of KTTC's staff have also volunteered with the Diversity Council, providing valuable input on communicating our message to the community.

KTTC also serves our mission of creating an inclusive community through their efforts to cover issues affecting every segment of our diverse population and to represent a wide spectrum of perspectives. The Diversity Council frequently partners with KTTC to connect reporters with members of minority communities.

Respectfully submitted,

Kay Hocker  
Executive Director
